20.30 SOCIAL DINNER at La Locanda del Cardinale

Piazza del Vescovado, 8 Tel. +39 075 815245

From the onset, it was decided not to hold separate or parallel sessions, but to remain together for the whole duration of the Meeting, in order to foster discussion and questions. Besides, continual comings and goings disturb both the speakers and the audience. Thus, in the best tradition of the Meetings, participants are warmly invited to attend all the presentations.

Certificates of attendance will be issued to participants who attend for the entire duration of the Meeting.

The Sixth EABCT Meeting on OCD is under the aegis of the EABCT and SPC, and is sponsored by SITCC.

EABCT, European Association for Behavioural and Cognitive Therapies.

SITCC, Società Italiana di Terapia Comportamentale e Cognitiva, SITCC (*Italian Association of Behavioural and Cognitive Therapy*).

SPC, Scuola di Psicoterapia Cognitiva, post-graduate Specialisation School in Cognitive-Behavioural therapy.
